

Contents

Do you have questions about the PiktoTape Method?! Read on.

Start with the DEMO section (with the star edging) to get the need-to-know basics drawing with PiktoTape.

From there you can read the book straight through. The questions are ordered to replicate the flow of questions you might have while drawing.

OR, if you have a specific question, see if you can find it.

On the next page you will find the questions arranged by category.

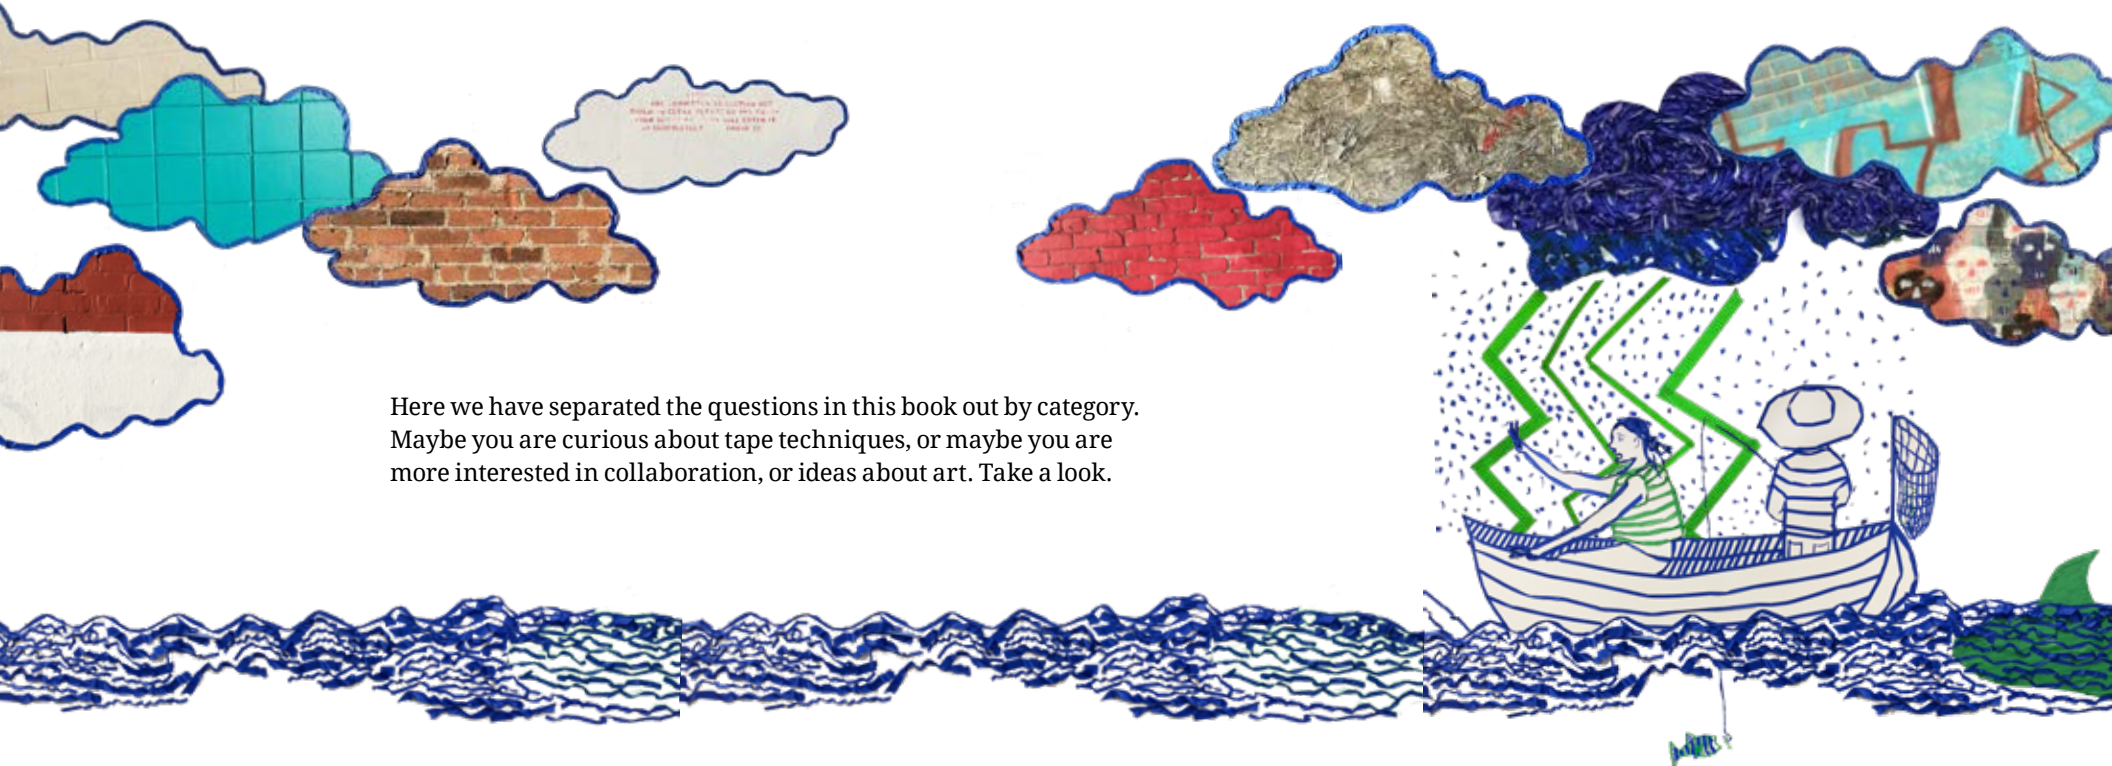

DEMO

- 2 How do I use this book?
- 3 Use Strips of Tape
- 4 Ripping Tape
- 5 Straight Lines
- 6 Curved Lines
- 7 Scale
- 8 Tiny Pieces
- 10 Sculpture

Things People Ask Us:

- 12 Why tape?
- 14 How did tape art get started?
- 16 Where can we draw?
