

Davis Digital Middle School

A Learning Environment created for and by art educators!

Davis Digital is much more than just our eBooks. It is a cloud-based platform that provides access to the same high-quality content and images from our print books AND **added features and flexibility**, including unique lesson planning and presentation tools designed specifically for K–12 educators.

Davis Digital includes K–12 eBooks from Davis Publications, digital art portfolios for students and teachers, the Curriculum Builder (a unique lesson planning and presentation tool), and a library of **more than 35,000 brilliant digital fine art images** from around the world and across time for teachers and students to use in lessons and research. **Check out Davis Digital for free; simply sign up for a test drive at DavisArtSpace.com.**

Davis Art Images Subscription

Each eBook now includes **access to more than 35,000 digital fine art images** to supplement the studio experiences in each eBook.

Portfolios

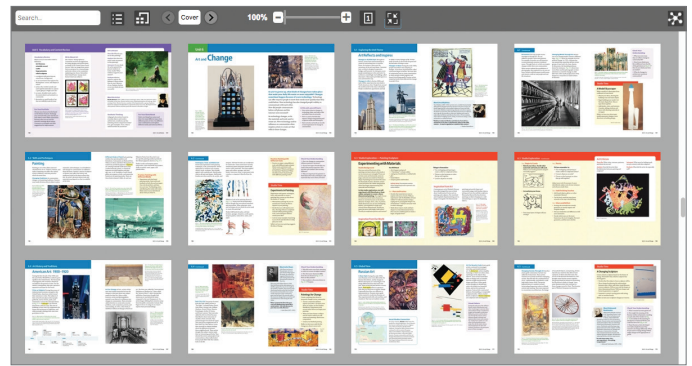

- Teachers and students can easily create **custom** online portfolios.
- **Share student artwork** and important information about your art program with students, colleagues, supervisors, parents, and community members.
- **Assess** student progress, accomplishments, and artwork.
- **Extend learning** by easily adding links to videos, galleries, websites, and other lesson resources.

Curriculum Builder

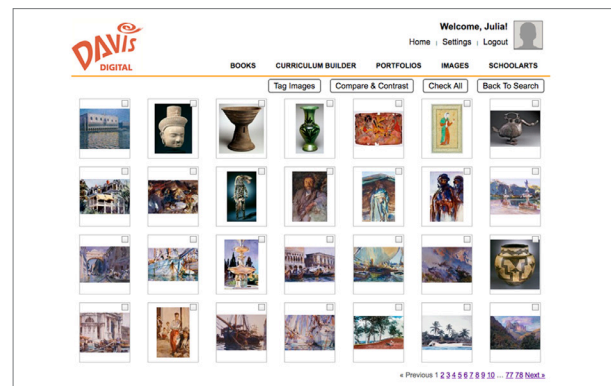

- **Gather all of the content you need** to introduce students to a new project or lesson in one place.
- Easily **search content in one or all of your Davis eBooks** to add to your customized lessons.
- Quickly and easily **add lessons** from your Davis eBooks, **text, images, videos, and slideshow presentations** to any lesson.
- **Download and share** PDFs of any or all lessons.
- Collaborate with colleagues to create shared lessons, district-recommended curriculums, or benchmark assessments.
- Keep required standards, essential questions, or learning outcomes visible at all times by adding them to your custom lesson.

Student Accounts

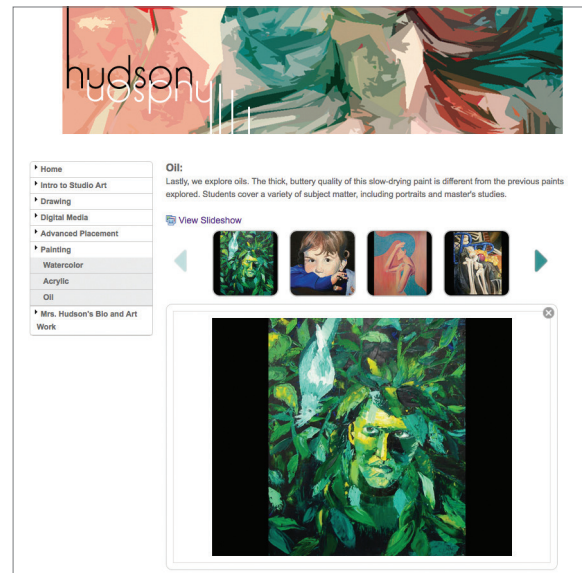

- Allows students to access their eBook anywhere with an internet connection.
- Easily search content for assignments and further research.
- Create and share Portfolios to document artwork and progress or collaborate on group projects .
- Allows access to teacher-created lessons in the Curriculum Builder to implement “flipped classroom” or blended learning strategies.
